Venue

Suzhou is located in the center of the Yangtze Delta, in the south of Jiangsu Province. Suzhou is praised as the 'Oriental Venice'. Taihu Lake, four fifths of which is in the territory of Suzhou, is one of the four largest fresh lakes in China, with East Hill, West Hill and other scenic spots in its vicinity. The city is cut by the Beijing-Hangzhou Grand Canal from north to south. Together with its mild climate, fertile landscape and abundance of produce, it is no wonder that Suzhou is called 'paradise on earth'.
